of the church. The church is not a building, but a community of people who are called to live out the gospel in their daily lives. The church is not a hierarchy, but a community of people who are called to live out the gospel in their daily lives. The church is not a religion, but a community of people who are called to live out the gospel in their daily lives.

What is the role of the church in the world? The church is called to be a light in the world, to bring the gospel to all people, and to live out the gospel in their daily lives. The church is called to be a community of people who are called to live out the gospel in their daily lives.
